Mr Ed. Gottlieb
509 Market St.
Phila. Pa.

Dear Gottlieb:

I had been hoping we would have met by now, but as we haven't I thought I had better drop you a line. By the way when are we going to meet if ever.

I know you have filed your tax return by now, and I thought it would be good if you would send me the amount due the league from the stadium, so I can have the statements made out of the treas. when we do meet. I understand the western league is meeting the last week in December.

I was talking to Bob Douglas about trying a basketball game here in Newark, to see how it would go. I understand his team is playing in New York every Sunday night, and it might be worth the gamble to bring the same two teams to Newark for Saturday night, and see how they would go. There is absolutely nothing to do in this town, unless some one gives a dance. We could get Laurel Garden for any Saturday night they do not have a dance, which is about three times a month. They say it seats 4000, but I don't believe that. They are asking \$200.00 for rent, but I believe it could be gotten for a little less. I hope The Spas are doing nicely, will be looking to hear from you soon.

Very Truly Yours
